

Nature Wise FARMACY

Fresh Fruits and Veggies Co-Op

What is a co-op?

A co-op is when people combine their monies to be able to buy bulk at discount prices.

How does it work?

Every Wednesday a Produce company, based in Columbia, delivers a giant load of fruits and veggies. These fruits and veggies are divided into the number of baskets that equal the number of participants that week.

Is the produce organic and/or local?

Sometimes we will get organic produce in our baskets. Not always, as it would be way to expensive to have all organic. The produce company orders their fruits and veggies as close to home as possible. As the season progresses, we will be utilizing local farmers.

What does it cost?

*Yearly membership is \$10.00
Each basket is \$20.00 due 5 days prior to basket pick up.*

How do I join?

You can call, email, or visit us on Facebook. There is a waiting list, so be sure and sign up soon.
